

Understanding YOUR Insurance Plan

If your AGA physician recommends you have a procedure, it could be scheduled at one of our accredited endoscopy centers, an AGA office, or hospital outpatient facility. It's important to contact your insurance carrier to discuss your scheduled procedure.

As a courtesy, our financial counselor will contact your insurance company through an electronic verification system to confirm your insurance benefits. Unfortunately, this system does limit the information AGA can obtain on your behalf to only 1) your insurance effective dates, and 2) the amount due at the time of service (co-pay).

Because each health insurance plan is different, we still recommend that you contact your insurance company to better understand your unique benefits and plan requirements. For most insurance companies, verification of benefits does not mean a guarantee of payment for the procedure. **It's in your best interest to contact your insurance carrier and ask the proper questions.** This guide will help you through any insurance-related steps you may need to take prior to your procedure.
